NEW BUSINESS:

A discussion was had that not many knew that silent auction items were needed. Henceforth, Tammie will bold face and/or summarize “actionable” items at the end of the minutes, to get a better overall response. Also, creating a “member's email list” so general membership can receive meeting minutes, as well,

Additional discussion was held regarding the breaks between divisions. The showbill designated a 45-minute break between Halter and English and, again between English and Ranch however, Western riders were not given a defined break. It is suggested that each division get a uniform 30-minute break

Members discussed Anne L sponsorship form that is to collect for September's Circuit Award benefit. Dollar amount denominations will be \$15 for Grand and \$10 for Reserve.

Kelsey Burns stated that she has already had a lot of feedback regarding donations. She has already procured \$400 in Wawa gift cards and a promise from the Pretzel Factory.

Patty Burns is reaching out to Wawa corporate to acquire drink coupons (coffee) that can be used for an exhibitor appreciation table.

NOTE- pretzels and coffee must be ordered two (2) days in advance. - Ashley will give estimate related to STALL COUNT! September meeting is the deadline for Circuit Award donations so they can be arranged for the September show! ASHLEY, OLIVIA AND KELSEY are the CIRCUIT AWARD COMMITTEE. Kelsey will create a FB group/meeting to connect, converse and nail down specifics
December, January and February are the optimum time to contact corporate sponsors for sponsorships.

Our September show is the test case for circuit awards vs banquet. Year 2026 will be having a Circuit Awards Show (Sept) and a Year End Banquet. After September, decisions will be made for 2027 show year.
Kelsey will create a QR code for feedback. The code will be distributed throughout the September show and responses will be calculated to assist will decision making.
Dawn E offered that as the club expands, it can create additional committees for various causes.

Members espoused interest in the Youth club holding fun activities for the September show – activities which can include adult participants, as well! Suggestions were a stall decorating contest, 3 person relay, halter pattern timed and an obstacle course. (Heather King)

Tammie made a motion to allow the Youth club to sponsor a Costume Class on Saturday evening of the September show (as she has donated an EBIKE as Grand prize. Kelsey 2nd the motion ALL yeas
